I am a student in computer science and I am currently preparing an engineering degree. I master several programming languages, software and skills. I know how to work in a team and I am therefore able to successfully complete the projects in which I participate.

EDUCATION

Engineering degree in computer science

Polytech Grenoble - INP - Université Grenoble Alpes

2020 - 2023 | Grenoble

Multimedia Communication Speciality

Technical university degree in computer science

IUT from Toulouse III university

2018 - 2020 | Toulouse

Scientific baccalaureate

Bellevue high-school

2016 - 2018 | Toulouse

Engineering sciences speciality, with honours

PROFESSIONAL EXPERIENCE

Development of an internal software

LERTI

05/2022 - 07/2022 | Grenoble, France

Development in Python of a data processing software, from digital media, for the justice system

Design of user interfaces with Qt

Software support (corrections and improvements) through user experience monitoring

Development of a video game in Java

2021

Implementation of a model-view-controller structure

Use of automata and versioning with git

Development and data processing

INRAE - LIPM

06/2020 - 08/2020 | Toulouse

Analysis of DNA data banks

Development of algorithms in Scala for Apache Spark

Study of solutions for C code execution in Spark

Development of an Android application

2020

Analysis of the request and drafting of specifications

Development in Java using Android Studio

INTERESTS

Sports

Ultimate frisbee (ex co-trainer)

Hiking and mountain biking

Arts

Amateur filmmaking

Reading novels and writing short stories

Learning to play piano
